

SOUTHWEST BIBLE CAMP

LABOR DAY VIRTUAL CONFERENCE

Sept. 4-6

Rediscovering the Role of the Church & the Gospel During the Pandemic"

"...I will have mercy, and not sacrifice..." Matthew 9:11-13

The Labor Day Weekend Camp seeks to encourage the refocusing, regrouping and redeeming of the time and opportunities that were lost to the attitude of complacency and comfort of "business as usual" Christianity.

Each session will focus on the What, Why, Who, When and Where of sharing the Gospel in the inhospitable world of the post-modern, post-Christian, and often bizarre, hysterical environment that accompanies a pandemic and a seemingly crumbling society.

All Sessions except for the Q & A session will be streamed on SWBC Facebook and YouTube pages at the dates and times listed below.
